

The Volunteer Process: Please allow at least (2-5 weeks)

4 easy steps:

- 1. **Inquire about our program** and stress an interest in volunteering. You may want to have in mind what you might be good at (your skills, hobbies, special interest, etc.) Also know that our agency serves ages birth to 21 years and we serve both girls and boys.
- 2. **Submit an application.** Just like our employees, volunteers are required to fill out an application through the Outreach Department. Volunteers at our agency are not compensated for time, but are paid with love and tenderness from our staff, board, and children. There are three parts to submit for completion:
 - I. Personal Filing Information
 - II. Contract of Confidentiality
 - III. Submission of information to:
 - a. SC Department of Social Services/ Law Enforcement: Criminal History Report
 - SC Department of Social Services/Law
 Enforcement: Central Registry for Child Abuse
 and Neglect
- 3. **Volunteer Training** is the next step once all parts of your application are approved. Training is scheduled three times a year or on a one on one basis.

One-on-Ones are ideal for:

- a. those who cannot commit to 8 hours of week night training
- b. those who will not be a regular volunteer (summer volunteers, interns, school projects, etc.)

The sessions will be scheduled according to the Coordinator's schedule Monday-Friday, from 10am-4pm.

- 4. Submission of documentation of freedom of communicable or contagious diseases.
 - -a negative TB test should be submitted for our records before any volunteer works directly with our children.

This process does not apply for Large Groups, please contact our office for information on how your organization can go about becoming volunteers!
