

Dear Community Friend,

We need your help! Our residents are looking forward to a fun-filled summer and we want to give it to them!

Each summer, we coordinate out-of-town day trips intended to educate, entertain and introduce new experiences. Though we are grateful for the countless opportunities in our community, we believe offering new and/or first-time experiences will make a lasting impact on the lives of our children. Their expressions of excitement and wonder are what continues to motivate us to coordinate these trips and ask friends like you for help.

Helping Hands is a home for abused, abandoned and/or neglected children in DSS custody. Since we provide 24-hour care, out-of-town trips can be costly. Therefore, we are asking for a monetary investment from you that will help us with various trips: Splash in the Boro, Carowinds, Atlanta, GA, Myrtle Beach, SC, and more!

If you feel compelled to help make a young person's summer a little brighter, you can choose to sponsor the full cost of an event/trip or sponsor a child or multiple children.

You can make a contribution in one of two ways:

1. On our website at [helpinghandsaiken.org/summerblast](http://helpinghandsaiken.org/summerblast)
2. Complete the enclosed form. Make checks payable to Helping Hands, Inc. and mail to P.O. Box 503, Aiken, SC 29802.

In the event of full trip sponsorship, Helping Hands reserves the right to assign donations to other trips as needed. Your investment will help make this summer one that our children will always remember!

Thank you for your consideration! Have questions? Give our office a call at (803) 648-3456.

Sincerely,

Carmen Landy  
Chief Executive Officer
